CHINA ASKS FREEDOM OF FOREIGN BONDAGE

WANTS A CHANCE TO RUN HER OWN AFFAIRS FREELY

WANTS ALL SECRET TREATIES NOT NOW REVEALED DE- CLARED VOID

JAPAN EXPECTED TO ANSWER PROPOSITION—WILL EFFECT ENGLAND AND FRANCE

By CARL D. GROAT,
(United Press Staff Correspondent.)
Washington, Nov. 19.—Chinese delegates stated today before the far east committee of thirty her real sentiments for freedom from bondage. She had a supplementary statement ready corroborating her "ten principles." Japan expected to answer the Chinese propositions.

China asks a new deal all around—a chance to run her own affairs in her own way, but giving regard to the interests of the outside world.

Before the committee met at 11 a. m. it was stated the fate of the day's session—perhaps the success of the far east conference itself—would hinge on acceptance or rejection of point four in the ten principles already presented by China. This calls for a show-down of all secret treaties between China and the outside world. Under her proposal, all such undertakings not now revealed, will be void.

Under this clause, if accepted, it is expected the world will see a remarkable picture of international bargaining, and secret diplomacy, with its object the exploitation of China. She believes there are secrets on the part of Japan, Great Britain and France which should be brought to light.

China said she did not insist on immediate fulfillment of all her dreams, but desired to bring all matters of controversy before the conference.

Japan States Attitude as to China

Washington, Nov. 19.—Japan today stated her purpose on Chinese and far eastern questions in the arms limitation conference.

The statement of Japan's policy in the far east was made to the full committee of the conference on far eastern questions by Admiral Baron Kato, rising member of the Japanese delegation.

Members of the Japanese delegation explained, following the meeting, that the address of Baron Kato was not a direct reply to the Chinese proposals but was a statement of Japan's position in response to the proposal made to the committee by China.

Kato is understood to have expressed the agreement of Japan to some of the main points of the Chinese proposal, to have taken issue in effect with other parts of China's statement, and to have ignored some of the remaining parts.

Japan is as heartily in favor of the maintenance of territorial integrity of China. Kato is also understood to have declared, Japan in principle is in favor of the administrative integrity of China.

Then Baron Kato was said to have stressed the peculiar position of Japan in China and far east generally because of her proximity.

It is the statement of Japan that this peculiar position of her must be recognized.

This attitude is believed to have appealed to the opposition to verify statements by the Japanese and other powers regarding far eastern questions, such as the Anglo-Japanese alliance and the Lansing-Issai agreement.

China had opportunity to elaborate in part her ten principles, and America and England joined the general discussion. After the session, the American delegation was summoned to meet at 3 p. m., and another meeting of the Pacific committee was called for Monday afternoon at 4 o'clock.

FORD AND WEEKS CONFER ON MUSCLE SHOALS PLANT

FORD'S OFFER TO PURCHASE THE PLANT AGREED ON EXCEPT THE COST OF COM- PLETING DAM

By HERBERT WALKER
(Copyright 1921 by United Press.)
Washington, Nov. 19.—Major details of Henry Ford's offer to buy the great Muscle Shoals project were agreed upon at a bedside conference between Henry Ford and Secretary of War Weeks. Weeks, who is ill, called Mr. Ford in.

Thomas A. Edison was selected to go with Ford to Muscle Shoals and make a final estimate of the cost of completion of the Wilson Power Dam.

Ford left here soon after the conference, and will confer with Edison in New York today.

"If you and Edison will go to Muscle Shoals and make an estimate as to the cost of the completion of the work, we can settle the details in two minutes," Weeks is reported to have said to Ford.

Ford's ninth visit to the Week's residence where the Secretary is confined to his bed by illness, following the earlier conference between Ford and Secretary of Commerce Hoover.

Ford had dined on his private car, and had prepared to depart when he was called by telephone and asked to visit the Secretary of War at his home.

In the sick room, Ford and Weeks discussed the whole project, and apparently settled everything except the final estimate of the cost of completion of the big dam.

Government engineers reports on the cost of completion varied as much as \$15,000,000.

One government estimate places the cost at \$28,000,000, while another one fixes the cost at \$45,000,000.

Ford had expressed before that the work can be completed far below \$20,000,000 if done by Ford engineers.

3 MEN ROB ST. PAUL JEWELRY STORE OF \$100,000 IN GOODS

MANAGER TAKEN INTO CUSTODY— SAYS MEN COVERED HIM WITH REVOLVER

(By United Press.)
St. Paul, Nov. 19.—Three men robbed the Gittleston Jewelry company of between \$75,000 and \$100,000 worth of jewelry at 8 a. m. today, and escaped. Police took Harry Weisman, manager, into custody for questioning. Weisman said the three men entered a store from the basement, just as he was unlocking the safe. They had gone into the basement through a back door.

Covering him with a revolver, the bandits scooped up all the valuable jewelry and fled, Weisman said.

This is the third big robbery in the twin cities within the last few weeks.

JAPS WANT THEIR CAPITAL SHIP TON- NAGE INCREASED

WANT 70 PER CENT OF AMERICAN AND BRITISH TONNAGE INSTEAD OF 60

By A. L. BRADFORD,
(Copyright, 1921, United Press.)

Washington, Nov. 19.—Japan will firmly insist on increase on capital ship tonnage over that allowed her in the Hughes proposition for limitation of naval armament, according to authoritative Japanese quarters today.

The Japanese believe that their dreadnaught tonnage in the American program for limitation of naval armament when put into effect should be seventy per cent as great as that of the United States and Great Britain. Instead of sixty per cent, as proposed by Secretary of State Hughes.

This significant information was obtained by the United Press following the vigorous speech by a high American spokesman of this government's policy regarding capital ship tonnage, in which the distinct impression was given that the United States would oppose moves from Japan or any other power for increased capital ship tonnage.

The United States and Japan thus seem to be in a position of almost direct opposition on the question of limitation of naval armament, and the first fight of the conference is threatened.

Success Assured

Washington, Nov. 19.—The British mission believes the success of the Arms Conference "is almost assured." This was revealed semi-officially today by a British spokesman who said his impression was that the public reaction at home was similar.

Limit Conference to Arms Limitation

By L. C. MARTIN
(United Press Staff Correspondent.)

Washington, Nov. 19.—The United States has served notice that it will head the arms conference to the one great issue involved—limitation of arms.

It has sharply called a halt on efforts to broaden or amend that issue. It has demanded that Japan and Great Britain squarely meet the question, either by agreeing to stop naval competition right now, or by stating frankly that they are not ready to go to that extent in putting a check on the principal cause of war.

This is the meaning of a frank and significant statement made to newspapermen by an authorized spokesman for this government.

If the statement of the American proposition is not sufficient, Secretary Hughes can take advantage of the dominant position his opening speech to the conference has given him, and will plainly tell the delegates:

1. That the United States is not going to dicker, bargain or trade over its proposals for limiting of naval armament.

2. That the American plan is based on the principle that the speediest and most satisfactory way to limit armaments is to call an immediate halt in the naval competition.

3. That the American policies represent the conclusion of qualified experts and considerate judgment of the American government, and are regarded by this government as not only fair, but exceedingly generous.

ARBuckle CASE IS NOW ON TRIAL

(By United Press.)

San Francisco, Nov. 19.—Details of the dramatic death of Virginia Rappe, film beauty, were to be told today as the prosecution warmed to its case against "Fatty" Arbuckle.

Miss Grace Halstead, surgical nurse at the Wakefield sanatorium where Miss Rappe died, and Doctor Arthur Beardslee, house physician of the St. Francis hotel who attended Miss Rappe immediately following her injury, were to lay the ground on which the prosecution will base its attempt at prosecution of Arbuckle for manslaughter.

The jury may visit Arbuckle's hotel suite, although an accurate map of the room and furnishings already has been drawn on the court room blackboard.

PACKING HOUSE WORKERS CUT THEIR OWN PAY

ARMOUR & CO. MEN TAKE FIRST ACTION, FOLLOWED BY MEN OF OTHER FIRMS

Chicago, Nov. 19.—Employees of Armour & Co., 26,000 in all, today, through their plant governing committees agreed with officials of the packing house that a wage reduction is necessary and fixed its amount. The cut is effective Nov. 28.

This is the first time in the history of the industry that a wage reduction has been arrived at in such a manner.

Tonight, officials of Swift & Co. announced that after an all-day conference the representatives of the Chicago assembly of employees had voted that a readjustment of wages was necessary, had extended a vote of confidence in the management and had voted to leave the wage readjustment to the discretion of the management. The company announced reductions practically corresponding to those fixed by the employees of Armour & Co., and effective on the same date, Nov. 28.

Company officials said they expected the other 16 assemblies of employees to take similar action.

All the Big Five except Morris & Co., last spring inaugurated the "plant congress" system of employee participation in the management of the industry.

Workers in Conference

The agreement between Armour & Co. and its employees followed a two-day conference. Twenty-four employees, representatives of the plant councils in nine cities, met with an equal number of officials representing the company. The books were opened and the financial situation of the company explained. The question was put to a vote, and the following reductions, effective in all plants except that at Fort Worth, Texas, adopted:

For piece workers, 8 per cent.
Unskilled labor getting 45 cents an hour or less, 7½ cents.

Semi-skilled labor, getting 45 and 50 cents an hour, 5 cents.

Skilled labor getting over 50 cents an hour, 3 cents.

A minimum wage of 25 cents an hour for adult female labor is provided.

These reductions apply to plants in Chicago, South St. Paul, Sioux City, Omaha, St. Joseph, Kansas City, St. Louis and Denver.

The reduction at Fort Worth, where wages are gauged by local labor conditions are:

Unskilled labor, receiving less than 42½ cents an hour, 7½ cents.

Semi-skilled labor receiving from 42½ to 47½ cents an hour, 5 cents.

125,000 Affected

Skilled labor receiving more than 47½ cents an hour, 3 cents.

The reductions fixed by the management of Swift & Co., at the invitation of the Chicago assembly, are as follows:

Skilled labor, receiving 50 cents and over, 3 cents.

Semi-skilled labor, receiving from 45 to 50 cents, 5 cents.

Unskilled labor, receiving 45 cents, 7½ cents.

BRYAN HOPEFUL OF SUCCESS OF ARMS PARLEY

SAYS DISCUSSION IS BEGINNING OF AGREEMENT; ALL AGREED ON PRINCIPLE

By WILLIAM JENNINGS BRYAN
(Copyright 1921, United Press.)

Washington, Nov. 19.—A discussion is the beginning of the agreement, and the time is now being spent in discussion.

There is a commendable frankness in the proceedings. Recognizing the difference between a principle and detail, the delegates are suggesting modifications which may or may not alter the principles.

Two of these demand consideration at the present time.

First, Great Britain suggested a decrease in the submarine tonnage required and the elimination of the long distance submarine. There is a great deal of force in this suggestion, and when it is put into shape, it will, in all probability, result in the suspension of all submarines intended for offensive purposes.

As an extensive weapon of defense, nothing has ever equalled the submarine unless it be the bomb-dropping aeroplane, and it is not likely that the final agreement will weaken the defensive power of any nation.

The United States is anxious to abolish every offensive weapon of war, and to reduce to the lowest point its defensive plan.

It is the offensive armament that has aroused the ire of the world, and that armament, whether it be on land or sea, must be put in process of extinction.

The British suggestion in regard to giving ship yards enough work to maintain the organization does not strike a responsive chord.

For a generation before the late war, the din of the ammunition factory drowned the voice of conscience; now that the conscience has asserted itself, it ought not to be drowned by the riving of armour on battleships.

NEWBERRY ATTACKED BY SENATOR POMERENE

(By United Press.)

Washington, Nov. 19.—A direct vote on the question of refusing to seat Senator H. Newberry as senator from Michigan was promised today when Senator Walsh of Montana, Democrat, introduced a resolution providing Newberry he denied a seat because of the expenditure of too much money in his campaign.

Senator Newberry gloated over the fact that one of his rivals in the Michigan senatorial campaign did not have the money to carry on his own kind of a campaign, Senator Pomerene of Ohio charged today when an effort to oust Newberry was resumed in the senate.

Not a step was taken by Newberry's campaignists without his knowledge. "He knew of the expenditures; he knew that the campaign could not be continued without this huge expenditure."

"He fairly gloated over the fact that one of his rivals did not have money to conduct the same kind of a campaign Newberry was conducting."

Three Persons Killed By Arkansas Cyclone

(By United Press.)

Poplar Bluff, Missouri, Nov. 19.—Three persons were killed today when a cyclone struck their farm only five miles east of here.

Mrs. George Chaffin, 40; her son Case, 18; and her daughter Mollie, 12, were the victims.

League Banquet

St. Paul, Nov. 19.—Mrs. A. K. Gault, woman mayor of St. Peter, told women voters of Ramsey county today "how it feels to be a mayor."

Her address was a feature of the annual banquet of the Ramsey county League of Women voters.

SHOOTING AFFRAY IN THE STREETS OF BELFAST

Alexandria, Nov. 19.—By defeating Coleraine 41 to 0 here Friday, Alexandria took another step toward the high school football championship.

More than thirty fans saw Coleraine receive the first beating of the season.

Alexandria will meet the winner of the Stillwater-Worthington clash, which is taking place this afternoon at Minneapolis.

SUPREME COURT EXEMPTS NATIONAL BANKS FROM TAXES

STATE WILL LOSE OVER MILLION DOLLARS IN TAXES OF 831 NATIONAL BANKS

(By United Press.)

St. Paul, Nov. 19.—Unless immediate congressional action is taken, Minnesota is likely to lose \$1,250,000 in taxes levied this year against 331 national banks in the state.

Governor Preus called the attention of the state officials to this situation at a conference today. The United States supreme court has exempted national banks for more than half the taxes they have paid in under the state law.

Conflict of state and federal laws is the cause. State banks will continue to be assessed as before, the supreme court ruling applying only to national banks.

Governor Preus said he did not believe the state legislature could do anything—that the situation was entirely up to congress. He asked that state officials look into the matter, and take some action at once.

Big Elephant Killed When Enraged By a Chew of Tobacco

(By United Press.)

Orange, Texas, Nov. 19.—Someone gave Floto, a big elephant at a circus, a big chew of tobacco instead of peanuts.

Floto is dead, killed by pursuers, on his rampage.

One man is in the hospital, seriously injured.

And the nerves of the people of Orange were in like condition today.

After a hundred men had searched for Floto all night, he was found today in the country. He met his keeper and others with a vicious charge. He fought his captors until many charges of lead had killed him.

SWIFT & COMPANY REDUCE WAGES

ANNOUNCE NEW SCHEDULE IN SOUTH ST. PAUL PLANT MAK- ING REDUCTIONS

(By United Press.)

South St. Paul, Nov. 19.—Swift & Company today announced a general wage reduction in all departments at its South St. Paul plant.

The new schedule will become effective immediately. The scale of reduction was as follows:

Common labor—7½ cents per hour.
Somewhat skilled—5 cents.

Skilled—3 cents.

Piece work—8 per cent.

Female labor—6 cents.
The schedule places common labor at 337½ cents an hour.

10 PEOPLE KILLED WHEN TRAIN HITS A FUNERAL AUTO

WRECKAGE OF CAR AND BITS OF BODIES ARE SCATTERED 250 YARDS

HEAVY SNOW FALL OBSTRUCTS VIEW OF CHAUFFEUR— OTHERS INJURED

Chicago, Nov. 19.—Ten persons were killed at Summit, Illinois, a Chicago suburb when an automobile in a funeral procession was struck by a flyer on the Santa Fe.

The flyer plowed through the large auto, scattering wreckage and bits of bodies down the track for 250 yards.

Fifteen persons were in the auto, which was a large funeral car. The other three were seriously injured.

The train was going approximately fifty-five miles an hour when it crashed into the auto.

A heavy snow fall and storm obstructed the view of the chauffeur.

The hearse carried the body of two year old Emily Vlenanin, and had just cleared the track, and the auto carrying a part of the mourners was just between the rails when the train struck.

SPIRIT OF YOUTH ANALYZED

"My faith is in the young. Through them Italy lives." What power can give devotion to the old? With this quotation from Mazzini, the prophet of Italian liberty, Geo. E. Burlingame reviewed last night the history of the struggle of the oppressed Italian provinces for freedom from the tyranny of the Hapsburg House, in a sermon "Youth", at the First Baptist church. He declared that the recent exile of x-emperor Charles to Madeira was the final chapter in the story of the fight for liberty begun by Mazzini and his Young Italy whom he inspired and trained.

Herman Hegedorn addressed a stirring challenge to the youth of America during the war in a little book entitled "You are the Hope of the World." He told them that upon them must rest the destinies of the nation and of the world.

Youth needs leadership and coordination, however, to achieve its destiny. A recent writer in a Chicago daily commented upon the apparent failure of the youth of America to organize for effective and positive results in national life; and lamenting the loss of the great leader of American youth, Theodore Roosevelt, he said that the present failure was because "their leader is dead and no one has come to take his place."

There is a leader available, who is seeking to gather into a League of Youth the young people of America, imparting to them his own spirit and ideals, enduring them with his own matchless power, and leading them from field to field of victory in the great moral and spiritual conflicts of life.

"I know a land that is sunk in shame.

Where hearts oft faint and tire;
But I know a name, a precious name,
That can set that land on fire.

Its sound is sweet, its letters flame—I know a name, a name, a name,
"Thou Jesus."

The characteristic spirit of youth reveals a peculiar consistency with the appeal of Jesus to the human heart. The outstanding qualities of youth include confidence, comradeship and constancy. It is the age of adventure, the time when friendship is sought and given, the era of whole-hearted commitments and of deathless devotion to causes and leaders. Faith, fellowship and fealty are its water-works.

The Christian life is essentially a life of confidence in Jesus as Saviour and Redeemer; a life-long comradeship with him; and a careers of unreserved allegiance and deathless devotion to him and his cause. Faith in Christ is the supreme adventure of the soul, appealing to the spirit of youth which delights in great hazards. Fellowship with Christ is the consummation of youthful friendships. Fealty to Christ is the consecration of life and talents to a peerless and irreproachable leader who alone is worthy of our unhesitating obedience.

Japan States Attitude as to
China

Washington, Nov. 19.—Japan today
stated her purpose on Chinese and
far eastern questions in the arms
limitation conference.

The statement of Japan's policy in
the far east was made to the full com-
mittee of the conference on far east-
ern questions by Admiral Baron Kato
rising member of the Japanese dele-
gation.

Members of the Japanese dele-
gation explained, following the meet-

was not a direct reply to the Chinese

pan's position in response to the pro-
posal made to the committee by Chi-

Kato is understood to have ex-
pressed the agreement of Japan to

nese proposal, to have taken issue in
effect with other parts of China's
statement, and to have ignored some
of the remaining parts.

Japan is as heartily in favor of
the maintenance of territorial in-
tegrity of China. Kato is also un-
derstood to have declared, Japan in
principle is in favor of the administrative
integrity of China.

Then Baron Kato was said to have
stressed the peculiar position of Ja-
pan in China and far east generally

It is the statement of Japan that
this peculiar position of her must be

This attitude is believed to have
appealed to the opposition to verify
statements by the Japanese and other
powers regarding far eastern ques-
tions, such as the Anglo-Japanese al-
liance and the Lansing-Issai agree-

China had opportunity to elaborate
in part her ten principles, and Amer-
ica and England joined the general
discussion. After the session, the
American delegation was summoned
to meet at 3 p. m., and another meet-
ing of the Pacific committee was cal-
led for Monday afternoon at 4 o'clock.

FORD AND WEEKS CONFER ON MUSCLE SHOALS PLANT

FORD'S OFFER TO PURCHASE THE

By HERBERT WALKER
(Copyright 1921 by United Press)

Washington, Nov. 19.—Major details
of Henry Ford's offer to buy the great
Muscle Shoals project were agreed
upon at a bedside conference between
Henry Ford and Secretary of War
Weeks. Weeks, who is ill, called Mr.
Ford in.

Thomas A. Edison was selected to
go with Ford to Muscle Shoals and
make a final estimate of the cost of
completion of the Wilson Power Dam.

Ford left here soon after the con-
ference, and will confer with Edison
in New York today.

"If you and Edison will go to Muscle
Shoals and make an estimate as to the
cost of the completion of the work,
I can settle the details in two min-
utes," Weeks is reported to have said
to Ford.

Ford's ninth visit to the Week's re-
sidence where the Secretary is confined
to his bed by illness, following the
earlier conference between Ford and
Secretary of Commerce Hoover.

Ford had dined on his private car,
and had prepared to depart when he
was called by telephone and asked to
visit the Secretary of War at his home.
In the sick room, Ford and Weeks
discussed the whole project, and ap-
parently settled everything except the
final estimate of the cost of completion
of the big dam.

Government engineers reports on
the cost of completion varied as much
as \$15,000,000.

One government estimate places the
cost at \$28,000,000, while another one
fixes the cost at \$45,000,000.

Ford had expressed before that the
work can be completed far below \$29-
300,000 if done by Ford engineers.

JAPS WANT THEIR CAPITAL SHIP TON- NAGE INCREASED

WANT 70 PER CENT OF AMERICAN
AND BRITISH TONNAGE
INSTEAD OF 60

By A. L. BRADFORD,
(Copyright, 1921, United Press.)

Washington, Nov. 19.—Japan will
firmly insist in increase on capital
ship tonnage over that allowed her in
the Hughes proposition for limitation
of naval armament, according to au-
thoritative Japanese quarters today.

The Japanese believe that their
dreadnaught tonnage in the American
program for limitation of naval arma-
ment when put into effect should be
seventy per cent as great as that of
the United States and Great Britain.
Instead of sixty per cent, as proposed
by Secretary of State Hughes.

can spokesman of this government's
policy regarding capital ship tonnage,
in which the distinct impression was
given that the United States would op-
pose moves from Japan or any other
power for increased capital ship ton-
nage.

The United States and Japan thus
seem to be in a position of almost di-
rect opposition on the question of lim-
itation of naval armament, and the
first fight of the conference is threat-
ened.

ARBuckle CASE IS NOW ON TRIAL

(By United Press)

San Francisco, Nov. 19.—Details of
the dramatic death of Virginia Rappe,
film beauty, were to be told today as
the prosecution warmed to its case
against "Fatty" Arbuckle.

Miss Grace Halstead, surgical nurse
at the Wakefield sanatorium where
Miss Rappe died, and Doctor Arthur
Beardslee, house physician of the St.
Francis hotel who attended Miss Rappe
immediately following her injury,
were to lay the ground on which the
prosecution will base its attempt at
prosecution of Arbuckle for man-
slaughter.

The jury may visit Arbuckle's hotel
suite, although an accurate map of the
room and furnishings already has been
drawn on the court room blackboard.

PACKING HOUSE WORKERS CUT THEIR OWN PAY

ARMOUR & CO. MEN TAKE FIRST
ACTION, FOLLOWED BY MEN
OF OTHER FIRMS

Chicago, Nov. 19.—Employees of Ar-
mour & Co., 26,000 in all, today,
through their plant governing commit-
tees agreed with officials of the Chicago
packing house that a wage reduction is
necessary and fixed its amount. The
cut is effective Nov. 28.

This is the first time in the history
of the industry that a wage reduc-
tion has been arrived at in such a
manner.

Tonight, officials of Swift & Co. an-
nounced that after an all-day confer-
ence the representatives of the Chicago
assembly of employees had voted that
a readjustment of wages was neces-
sary, had extended a vote of confidence
in the management and had voted to
leave the wage readjustment to the
discretion of the management.

The company announced reductions prac-
tically corresponding to those fixed by
the employees of Armour & Co., and ef-
fective on the same date, Nov. 28,
company officials said they expected
the other 16 assemblies of employees
to take similar action.

All the Big Five except Morris &
Co., last spring inaugurated the "plant
congress" system of employees partici-
pating in the management of the indus-
try.

Workers in Conference

The agreement between Armour &
Co. and its employees followed a two-
day conference. Twenty-four employ-
ees, representatives of the plant coun-
cils in nine cities, met with an equal
number of officials representing the
company. The books were opened and
the financial situation of the company
explained. The question was put to
a vote, and the following reductions,
effective in all plants except that at
Fort Worth, Texas, adopted:

For piece workers, 8 per cent.
Unskilled labor getting 45 cents an
hour or less, 7½ cents.
Semi-skilled labor, getting 45 and 50
cents an hour, 5 cents.

Skilled labor getting over 50 cents
an hour, 3 cents.

A minimum wage of 25 cents an
hour for adult female labor is pro-
vided.

These reductions apply to plants in
Chicago, South St. Paul, Sioux City,
Omaha, St. Joseph, Kansas City, St.
Louis and Denver.

The reduction at Fort Worth, where
wages are gauged by local labor condi-
tions are:

Unskilled labor, receiving less than
42½ cents an hour, 7½ cents.
Semi-skilled labor receiving from
42½ to 47½ cents an hour, 5 cents.

125,000 Affected
Skilled labor receiving more than
47½ cents an hour, 3 cents.

The reductions fixed by the manage-
ment of Swift & Co., at the invitation
of the Chicago assembly, are as fol-
lows:

Skilled labor, receiving 50 cents and
over, 3 cents.

Semi-skilled labor, receiving from
45 to 50 cents, 5 cents.

Unskilled labor, receiving 45 cents,
7½ cents.

BRYAN HOPEFUL OF SUCCESS OF ARMS PARLEY

SAYS DISCUSSION IS BEGINNING
OF AGREEMENT; ALL AGREED
ON PRINCIPLE

By WILLIAM JENNINGS BRYAN
(Copyright 1921, United Press.)

Washington, Nov. 19.—A discussion
is the beginning of the agreement, and
the time is now being spent in dis-
cussion.

There is a commendable frankness
in the proceedings. Recognizing the
difference between a principle and de-
tail, the delegates are suggesting mod-
ifications which may or may not alter
the principles.

Two of these demand consideration
at the present time.

First, Great Britain suggested a de-
crease in the submarine tonnage re-
quired and the elimination of the long
distance submarine. There is a great
deal of force in this suggestion, and
when it is put into shape, it will, in
all probability, result in the suspen-
sion of all submarines intended for
offensive purposes.

As an extensive weapon of defense,
nothing has ever equalled the subma-
rine unless it be the bomb-dropping
aeroplane, and it is not likely that the
final agreement will weaken the de-
fensive power of any nation.

The United States is anxious to
abolish every offensive weapon of war,
and to reduce to the lowest point its
defensive plan.

It is the offensive armament that
has aroused the ire of the world, and
that armament, whether it be on land
or sea, must be put in process of ex-
tinction.

The British suggestion in regard to
giving ship yards enough work to
maintain the organization does not
strike a responsive chord.

For a generation before the late war,
the din of the ammunition factory
drowned the voice of conscience; now
that the conscience has asserted it-
self, it ought not to be drowned by
the riveting of armour on battleships.

NEWBERRY ATTACKED BY SENATOR POMERENE

(By United Press.)

Washington, Nov. 19.—A direct vote
on the question of refusing to seat
Senator H. Newberry as senator from
Michigan was promised today when
Senator Walsh of Montana, Democrat,
introduced a resolution providing New-
berry be denied a seat because of the
expenditure of too much money in his
campaign.

Senator Newberry gloated over the
fact that one of his rivals in the Mi-
chigan senatorial campaign did not have
the money to carry on his own kind
of a campaign, Senator Pomerene of
Ohio charged today when an effort
to oust Newberry was resumed in the
senate.

Not a step was taken by Newberry's
campaignists without his knowledge.
"He knew of the expenditures; he
knew that the campaign could not be
continued without this huge expendi-
ture."

"He fairly gloated over the fact that
one of his rivals did not have money
to conduct the same kind of a cam-
paign Newberry was conducting."

Three Persons Killed By Arkansas Cyclone

(By United Press)

Poplar Bluff, Missouri, Nov. 19.—
Three persons were killed today when
a cyclone struck their farm only five
miles east of here.

Mrs. George Chaffin, 40; her son
Case, 18; and her daughter Mollie, 12,
were the victims.

League Banquet

St. Paul, Nov. 19.—Mrs. A. K. Gault,
woman mayor of St. Peter, told women
voters of Ramsey county today "how
it feels to be a mayor."

Hier address was a feature of the
annual banquet of the Ramsey county
League of Women voters.

SHOOTING AFFRAY IN THE STREETS OF BELFAST

(By United Press.)

Belfast, Nov. 19.—Four gunmen were
routed in the darkened streets of Bel-
fast early today.

It is the third shooting fray of the
week.

An armed troop swooped down
when the fighting was in progress,
and scattered the contending parties
after one man had been wounded.

ALEXANDRIA DEFEATS COLERAINE HIGH

(By United Press.)

Alexandria, Nov. 19.—By defeating
Coleraine 41 to 0 here Friday, Alex-
andria took another step toward the
high school football championship.

More than thirty fans saw Coleraine
receive the first beating of the sea-
son.

Alexandria will meet the winner of
the Stillwater-Worthington clash,
which is taking place this afternoon
at Minneapolis.

SUPREME COURT EXEMPTS NATIONAL BANKS FROM TAXES

STATE WILL LOSE OVER MILLION
DOLLARS IN TAXES OF 831
NATIONAL BANKS

(By United Press)

St. Paul, Nov. 19.—Unless immediate
congressional action is taken, Minne-
sota is likely to lose \$1,250,000 in taxes
levied this year against 331 national
banks in the state.

Governor Preus called the attention
of the state officials to this situation
at a conference today. The United
States supreme court has exempted
national banks for more than half the
taxes they have paid in under the
state law.

Conflict of state and federal laws is
the cause. State banks will continue
to be assessed as before, the supreme
court ruling applying only to national
banks.

Governor Preus said he did not be-
lieve the state legislature could do
anything—that the situation was en-
tirely up to congress. He asked that
state officials look into the matter,
and take some action at once.

Big Elephant Killed When Enraged By a Chew of Tobacco

(By United Press.)

Orange, Texas, Nov. 19.—Someone
gave Floto, a big elephant at a circus,
a big chew of tobacco instead of pea-
nuts.

Floto is dead, killed by pursuers, on
his rampage.

One man is in the hospital, seriously
injured.

And the nerves of the people of
Orange were in like condition today.

After a hundred men had searched
for Floto all night, he was found to-
day in the country. He met his keep-
er and others with a vicious charge.
He fought his captors until many
charges of lead had killed him.

SWIFT & COMPANY REDUCE WAGES

ANNOUNCE NEW SCHEDULE IN
SOUTH ST. PAUL PLANT MAK-
ING REDUCTIONS

(By United Press.)

South St. Paul, Nov. 19.—Swift &
Company today announced a general
wage reduction in all departments at
its South St. Paul plant.

The new schedule will become ef-
fective immediately. The scale of re-
duction was as follows:

Common labor—7½ cents per hour.
Somewhat skilled—5 cents.

Skilled—3 cents.
Piece work—8 per cent.

Female labor—6 cents.
The schedule places common labor
at 337½ cents an hour.

10 PEOPLE KILLED WHEN TRAIN HITS A FUNERAL AUTO

WRECKAGE OF CAR AND BITS OF
BODIES ARE SCATTERED
250 YARDS

HEAVY SNOW FALL OBSTRUCTS
VIEW OF CHAUFFEUR—
OTHERS INJURED

Chicago, Nov. 19.—Ten persons were
killed at Summit, Illinois, a Chicago
suburb when an automobile in a fun-
eral procession was struck by a flyer
on the Santa Fe.

The flyer plowed through the large
auto, scattering wreckage and bits of
bodies down the track for 250 yards.
Fifteen persons were in the auto,
which was a large funeral car.

The other three were seriously in-
jured.
The train was going approximately
fifty-five miles an hour when it crash-
ed into the auto.

A heavy snow fall and storm ob-
structed the view of the chauffeur.

The hearse carried the body of two
year old Emily Viananin, and had just
cleared the track, and the auto carry-
ing a part of the mourners was just
between the rails when the train
struck.

SPIRIT OF YOUTH ANALYZED

"My faith is in the young. Through
them Italy lives." What power can
give devotion to the old? With this
quotation from Mazzini, the proph-
et of Italian liberty, Geo. E. Burlingame
reviewed last night the history of the
struggle of the oppressed Italian pro-
vinces for freedom from the tyranny
of the Hapsburg House, in a sermon
"Youth", at the First Baptist church.
He declared that the recent exile of
ex-emperor Charles to Madeira was
the final chapter in the story of the
fight for liberty begun by Mazzini and
his Young Italy whom he inspired
and trained.

Herman Hegedorn addressed a stir-
ring challenge to the youth of Amer-
ica during the war in a little book
entitled "You are the Hope of the
World." He told them that upon
them must rest the destinies of the
nation and of the world.

Youth needs leadership and coordi-
nation, however, to achieve its des-
tiny. A recent writer in a Chicago
daily commented upon the apparent
failure of the youth of America to
organize for effective and positive
results in national life; and lament-
ing the loss of the great leader of
American youth, Theodore Roosevelt,
he said that the present failure was
because "their leader is dead and no
one has come to take his place."

There is a leader available, who
is seeking to gather into a League of
Youth the young people of America,
imparting to them his own spirit and
ideals, enduring them with his own
matchless power, and leading them
from field to field of victory in the
great moral and spiritual conflicts of
life.
"I know a land that is sunk in
shame,
Where hearts oft faint and tire;
But I know a name, a precious name,
That can set that land on fire.
Its sound is sweet, its letters flame—
I know a name, a name, a name,
'Tis Jesus."

The characteristic spirit of youth
reveals a peculiar consistency with
the appeal of Jesus to the human
heart. The outstanding qualities of
youth include confidence, comradeship
and constancy. It is the age of
adventure, the time when friendship
is sought and given, the era of whole-
hearted commitments and of deathless
devotion to causes and leaders. Faith,
fellowship and fealty are its watch-
words.

The Christian life is essentially a
life of confidence in Jesus as Saviour
and Redeemer; a life-long comradeship
with him; and a careers of un-
reserved allegiance and deathless devo-
tion to him and his cause. Faith
in Christ is the supreme adventure
of the soul, appealing to the spirit of
youth which delights in great haz-
ards. Fellowship with Christ is the
consummation of youthful friend-
ships. Fealty to Christ is the con-
secration of life and talents to a peer-
less and irreproachable leader who
alone is worthy of our unhesitating
obedience.

MRS. JOHN MUTCH STRUCK BY CAR

At 3:15 o'clock Saturday afternoon Mrs. John R. Mutch of 618 South Fifth street, was struck by a farmer's Dodge car at the corner of South Seventh and Laurel streets, and according to Miss Cecil Witham, who saw the accident from Vanek's jewelry store, Mrs. Mutch was dragged some distance and was under the car when picked up by bystanders.

Miss Witham said Mrs. Mutch was crossing over to the Brainerd State bank and tried to dodge the car. She was struck while in the center of the street and was dragged to the mail box near the Citizens State bank, before the car was stopped, said Miss Witham.

The car number, as taken by Miss Witham, was Minnesota 60,055. It was driven by a man supposed to be a farmer and a lady was on the seat with him. The car stayed near the corner some time and then drove off.

Mrs. Mutch was asked if she wished to be taken to a hospital and said she wanted to go home. A stranger carried her in his car to her home, said Miss Witham. The latter then notified Mr. Mutch at the railway shops.

AMERICAN LEGION BIG ENTERTAINMENT

Dance and Turkey Raffle Will be Staged by the Legion Monday Evening, November 21

THE WITHAMS MELODY BOYS Will Furnish the Entrancing Music For the Dance, Various Committees are Named

A turkey raffle and a dance will be the first entertainment of next week for Brainerd folks. The American Legion has announced a big dance and raffle for Monday night, Nov. 21 at Elks hall in the Citizens State bank building.

The Legion committee Eugene White, chairman, Bert Orne, Dick Johnson, Bert Norquist and Ralph Russell promise the most real fun of the whole year when they begin the raffle at seven thirty. Many big fat turkeys and geese also a pig or two have been secured from Crow Wing county farmers and if you want one for your Thanksgiving dinner join the committee and the Legion boys on Monday night. The raffle is entirely free and all folks are invited.

Immediately following the raffle Withams' melody boys will entertain for dancers. "Mitz" Witham has promised the American Legion the best music of the season and Eugene White says it will be the best dance the Legion has ever put on. This is only the first dance of the winter season put on by the Legion and will be followed by several more. The American Legion asks the support of all Brainerd people in their entertainment on Monday night.

She Bests Men Hunters

Miss Vera LeFebvre of Grand Rapids not only takes high rank among the Dianas of Itasca county, but has set a high mark for the men who shoulder rifles and go out into the woods in pursuit of big game. During a day's hunt, last Sunday.

Turkeys Given Away

R. E. Stephenson the proprietor of the Brainerd bowling alleys is offering five big fat turkeys for bowling prizes. The contest starts Saturday and closes Wednesday evening at 11 o'clock, the prizes are to be awarded as follows: The man bowling highest individual score, and the man bowling largest number of spares in one game each get a turkey.

Consolation prize. The bowler getting largest number of splits in one game get a turkey each.

The lady getting largest number of spares in one game, and the one getting largest number of strikes in one game get a turkey each.

In case of a tie in any of the above, the winner will be decided by bowling one game for high score.

Brainery Bowling Alleys

Miss Vera succeeded not only in bagging a fine large doe, but in shooting a bear, something which very few hunters can claim credit for doing.

In company with her father and some others from Grand Rapids, Miss LeFebvre was hunting near Lawrence lake. A drive was made and her deer, a large doe, came running out. A well directed shot put the doe in the way of being venison for the family, and the young lady proudly tied on her license tag. A short time afterward, some of the party found what appeared to be a bear den. While some of the men were engaged in trying to arouse the animal, it escaped from the den and started to run away. Miss LeFebvre again proved equal to the occasion and dispatched the animal, a yearling black bear. She says that she will be proud to wear a fur made from its glossy coat.

MRS. JOHN MUTCH STRUCK BY CAR

At 3:15 o'clock Saturday afternoon Mrs. John R. Mutch of 618 South Fifth street, was struck by a farmer's Dodge car at the corner of South Seventh and Laurel streets, and according to Miss Cecil Witham, who saw the accident from Vanek's jewelry store, Mrs. Mutch was dragged some distance and was under the car when picked up by bystanders.

Miss Witham said Mrs. Mutch was crossing over to the Brainerd State bank and tried to dodge the car. She was struck while in the center of the street and was dragged to the mail box near the Citizens State bank, before the car was stopped, said Miss Witham.

The car number, as taken by Miss Witham, was Minnesota 60,955. It was driven by a man supposed to be a farmer and a lady was on the seat with him. The car stayed near the corner some time and then drove off. Mrs. Mutch was asked if she wished to be taken to a hospital and said she wanted to go home. A stranger carried her in his car to her home, said Miss Witham. The latter then notified Mr. Mutch at the railway shops.

MEMORIAL SERVICE

By Modern Woodmen of America, Camp 2337, to be held on November 27

The Modern Woodman of America Camp 2337 will hold their annual Memorial service at Oddfellows hall November 25. There will be a program commencing at 8:30 p. m. Rev. Fred Errington will give the memorial address.

It should be the duty of all Modern Woodmen and their wives to be at this meeting to honor those neighbors who during the year, have fallen at the wayside.

Card of Thanks

I wish to thank all the people who so kindly helped to make the basket social which was given at Rocky Point resort a success and especially Mr. Anderson for his kindness in turning over his dining hall and home for our use.

AMERICAN LEGION BIG ENTERTAINMENT

Dance and Turkey Raffle Will be Staged by the Legion Monday Evening, November 21

THE WITHAMS MELODY BOYS Will Furnish the Entrancing Music For the Dance, Various Committees are Named

A turkey raffle and a dance will be the first entertainment of next week for Brainerd folks. The American Legion has announced a big dance and raffle for Monday night, Nov. 21 at Elks hall in the Citizens State bank building.

The Legion committee Eugene White, chairman, Bert Orne, Dick Johnson, Bert Norquist and Ralph Russell promise the most real fun of the whole year when they begin the raffle at seven thirty. Many big fat turkeys and geese also a pig or two have been secured from Crow Wing county farmers and if you want one for your Thanksgiving dinner join the committee and the Legion boys on Monday night. The raffle is entirely free and all folks are invited.

Immediately following the raffle Withams' melody boys will entertain for dancers. "Mitz" Witham has promised the American Legion the best music of the season and Eugene White says it will be the best dance the Legion has ever put on. This is only the first dance of the winter season put on by the Legion and will be followed by several more. The American Legion asks the support of all Brainerd people in their entertainment on Monday night.

She Beats Men Hunters

Miss Vera LeFebvre of Grand Rapids not only takes high rank among the Dianas of Itasca county, but has set a high mark for the men who shoulder rifles and go out into the woods in pursuit of big game. During a day's hunt, last Sunday,

Turkeys Given Away

R. E. Stephenson the proprietor of the Brainerd bowling alleys is offering five big fat turkeys for bowling prizes. The contest starts Saturday and closes Wednesday evening at 11 o'clock, the prizes are to be awarded as follows: The man bowling highest individual score, and the man bowling largest number of spares in one game each get a turkey.

Consolation prize. The bowler getting largest number of splits in one game get a turkey each.

The lady getting largest number of spares in one game, and the one getting largest number of strikes in one game get a turkey each.

In case of a tie in any of the above, the winner will be decided by bowling one game for high score.

Brainerd Bowling Alleys

Miss Vera succeeded not only in bagging a fine large doe, but in shooting a bear, something which very few hunters can claim credit for doing.

In company with her father and some others from Grand Rapids, Miss LeFebvre was hunting near Lawrence lake. A drive was made and her deer, a large doe, came running out. A well directed shot put the doe in the way of being venison for the family, and the young lady proudly tied on her license tag. A short time afterward, some of the party found what appeared to be a bear den. While some of the men were engaged in trying to arouse the animal, it escaped from the den and started to run away. Miss LeFebvre again proved equal to the occasion and dispatched the animal, a yearling black bear. She says that she will be proud to wear a fur made from its glossy coat.

Special music at both morning and evening worship.

The church believes in, and stands for, the application of a Spiritual Gospel to the social, industrial, economic and political problems of today as the only safe and sane foundation upon which to rebuild our civilization, so nearly shattered by the greed, envy, jealousy and hatred of the recent materialistic idealism. Be true to your better instincts by answering the call of God and humanity for a better world. Do it by cooperating with the only agency divinely equipped to lead and inspire confidence, the church of the Living God.

S. M. Kelly, Minister.

Have You Got Yours?

Are you very sure that you have all that is coming to you? Have you left out of your program for life any essential and valuable elements?

What really are the big abiding values of a man's life? "A MAN'S LIFE consisteth NOT in the abundance of the THINGS which he possesseth." In this summary way Jesus warns you against living merely for THINGS, for the transient and the perishable.

Are you providing for your mind, for your soul, for your immortal spirit? "Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." Jesus directs us in this counsel, to the needs of our spirits, which needs only the life and grace and love of God can supply.

"I am the Bread of Life. I am the Living Bread which came down out of heaven. If any man eat of this bread he shall live forever." Jesus Christ, the Eternal Son of God and Redeemer of men is alone able to meet the hunger of our hearts and the deep needs of our moral natures. Personal faith in Him and abiding life in Him alone can secure to us the best for time and eternity. Open your mind and heart to His word; hear and receive His Gospel; own Him as your Master and Lord TODAY.

Geo. E. Burlingame.

Mr. Burlingame will speak Sunday at 11 a. m. and 7:45 p. m. at the First Baptist Church; and every day this next week (Saturday excepted) at Swedish Baptist Church, Oak and Tenth Sts. You are cordially invited to hear his messages.

The members of the church are urged to plan to attend these meetings and others in our section of the city are cordially invited to hear this able preacher of the gospel.

A union Thanksgiving service will be held for the south side next Thursday at 10:30 a. m. at the Bethlehem Lutheran church. Let this service be a mass meeting for our part of the city to give thanks to the Almighty.
A. Paulson, Pastor.

Bethlehem Lutheran Church

South Seventh Street

Sunday school and Bible class at 10 a. m.

Norwegian services at 11 a. m. Sermon theme: "The Great Divide!"

Vocal duet: Mr. Bye and Miss Fogelstrom.

At 2:30 the pastor preaches at the Ekelund church, Long Lake.

In the evening at 7:45 English services. Sermon theme: "Trade, Business and Gospel."

Come and worship with us and hear this Gospel sermon, clothed in a commercial dress.

On Monday evening the Concordia society will meet at 8:15, entertained by Mr. and Mrs. Taege and Mrs. Slade. Tomorrow is designated "Every member present at church Sunday." Come, let us go unto the House of the Lord. God wants you there; the pastor desires you there; the members

welcome you. Will your pew be vacant? Come and bring others, and you will be benefited by it. It is said of the Christ: "He entered, as his custom was, into the synagogue on the sabbath day." What is your answer? May this be your answer: "I will dwell in the House of the Lord today."

O. S. Winther, Pastor.

First Baptist Church

The services on Sunday will have a touch of the Thanksgiving spirit with special numbers by the church choir and special musical program in the evening.

At 11 o'clock divine worship with sermon by Rev. Dr. Geo. E. Burlingame of San Francisco. Special numbers by the choir entitled, "The Joy of the Harvest Days," by Ira B. Wilson and "Let All the People Praise Thee," by Carrie Adams.

At 7:45 evening service with sermon by Dr. Burlingame. The special musical numbers by choir as follows: "Forget Not All His Benefits," by E. S. Lorenz. "O, that Men Would Praise Thee," by Ira B. Wilson.

Choir members: Mrs. Geo. A. Beale and Mrs. H. A. Olson, sopranos; Mrs. Charles Mahlum and Miss Mabel Olson, altos; William Anderson, tenor; Charles Rice, bass; Mrs. L. O. Kelsen, pianist.

Special solo by pastor, Rev. Arthur C. Smith.

Special duet by pastor and wife.

All are invited to the church of the cordial welcome.

The Sunday school in charge of Dr. Nicholson meets at 9:45 a. m.

The B. Y. P. U. at 6:45.

The Baraca banquet on Monday eve at 6:30. A great time is anticipated.

Dr. John A. Earl of St. Paul will be the main speaker.

First Presbyterian Church

Evening worship 7:30. Song service and sermon: "Christ's Cure for Cares."

This is the first of a new series of

Sunday evening addresses. The pastor has had a number of expressions of appreciation of the series just closed, and requests for more of the same kind. During the next few weeks he will speak on the "Comfort Chapter" of the New Testament, the 14th Chapter of John.

Special music at both morning and evening worship.

The church believes in, and stands for, the application of a Spiritual Gospel to the social, industrial, economic and political problems of today as the only safe and sane foundation upon which to rebuild our civilization, so nearly shattered by the greed, envy, jealousy and hatred of the recent materialistic idealism. Be true to your better instincts by answering the call of God and humanity for a better world. Do it by cooperating with the only agency divinely equipped to lead and inspire confidence, the church of the Living God.

S. M. Kelly, Minister.

WILSON AND HARDING

The convening of the Conference for the Limitation of Armaments was marked by the inauguration of a campaign by Wilson Democrats to take from President Harding the honor of conceiving the meeting, and rob him of credit for such results as the Conference may achieve. There is, it is apparent, a well defined tendency among former supporters of the ex-President to acclaim the present discussions at Washington as but another expression of the idea and spirit that moved Mr. Wilson when he took the lead at Paris in the organization of a League of Nations.

But it was Mr. Wilson's methods and his autocratic selfishness, at Paris, and not his ideals, which have been criticized. The creation of a super-state, the surrender of national sovereignty, the forcible coercion of individual nations to a compliance with mandates of a League of Nations—all were considered necessary by Mr. Wilson to put an end to war, but each has proven to be an insurmountable difficulty in the attainment of the ideals for which he strove.

President Harding was moved by the same ideals, but he has suggested another means for their attainment, at least in part. He has rejected the Wilson plan that was tried and found wanting, and has substituted another from which super-states, the surrender of sovereignty, and international coercion are conspicuously lacking. The Armaments Conference is animated by a spirit that must reign throughout the world if there is to be an advance toward peace—the spirit of friendly co-operation, entirely free from the fear that any nation or group of nations is going to interfere with the independence of another. Very possibly Mr. Wilson's soul may be "marching on," but it certainly is not marching through the corridors of the Washington Conference.

GERMAN MANUFACTURERS BUSY

Official information received in Washington from Germany is to the effect that the principal former military and naval workshops of the German government, which were closed in accordance with the treaty of Versailles, insofar as their manufacturing of military equipment and munitions was concerned, are now running full capacity in the manufacture of peace-time products. It is stated that more em-

ployes are at work in these plants now than were employed there in the manufacture of munitions.

All these large plants are now reported as running full time, producing all sorts of foundry products, castings, wrought iron articles, railroad supplies, motors, motorcycles, hand and machine tools, pneumatic tools, electrical equipment and utilities, shop machinery, motor boats, agricultural implements, locomotives, railroad cars and supplies, automobiles, auto trucks and auto supplies.

Therefore, we may look for this country to be flooded with goods manufactured in Germany, and American manufacturers and American labor must compete with the cheap labor and cheaper cost of production in Germany. This of course will not help our unemployment problem, either.

Do we need a protective tariff?

CROP PROSPECTS IMPROVED

The crop experts at the State University assert that the Minnesota and Northwest crop prospects are greatly enhanced by the recent fall of snow on unfrozen ground. The soil has already absorbed considerable quantities of moisture, and is rapidly storing more as the snow melts. The additional moisture is needed by the soil, according to Prof. Andrew Boss of the farm management bureau of the University, because of the dry condition of the ground resultant from the lack of abundant rainfall last summer. Unless there is a thaw, followed by a cold spell which will freeze up the ground, there should be a large quantity of water stored this winter, he says, and it will not run off in the spring.

C. P. Bell, state weed inspector, also predicts good crops next year as a result of the early snowfall.

Without waiting for a reduction in wages, an immediate reduction of 10 per cent in car load freight rates on farm products for a period of six months has been agreed upon by executives of the railroads of the United States. The reduction will cost the railroads about \$55,000,000, it is estimated. Reductions already made involve a loss of revenue of from \$175,000 to \$200,000,000 annually, railroad officials claim.

Representative Knutson is preparing a bill for the creation of a forest reserve, embracing about 20,000 acres on what is known as the "East Peninsula," between Red Lake and Lower Red Lake. The bill will provide for payment to the Red Lake Indians of the value of the land and timber.

Secretary Hoover says construction of more than 6,261 miles of highways, at a cost of \$76,000,000, and employing more than 150,000 workers, is about to be undertaken by thirty states as a result of the recent passage of the Federal highway act.

The Providence Journal calls attention to the fact that there are four wars in progress in Europe at present, with a prospect of one or two more, and yet nobody seems inclined to page the League of Nations.

The X-ray and Airplanes. The X-ray is used in airplane construction to detect defective materials, weak metal castings and workmanship, which would otherwise escape the eye of an inspector and possibly be the cause of disaster and death.

BENEFIT PERFORMANCE

Given by Parent-Teachers Association of Washington-Lincoln Schools

Next Friday

The seat sale for the benefit performance to be given November 25th at the New Park theater by the Parent-Teachers Association of the Washington-Lincoln schools is meeting with a hearty response from the public. Teachers and school children are out selling tickets, and all are taking a lively interest.

The funds derived from this benefit showing are to be used to purchase a phonograph for the Lincoln school, but all of the school children are interested in helping the school to get one of these machines, and some of the high school students are planning a clever stunt to assist the sale of tickets.

The feature picture to be presented is Wanda Hawley's latest starring vehicle for Realart and in many ways is her best. Certainly the part of the reformed Snob fits her as if made to order. There is much of interesting drama—and plenty of fun in the scenes. Wm. ("Babe") Lawrence is convincing as the college football hero whose job as a waiter in the college commons starts all the trouble. And of course fat Walter Hiers as a "trouble fixer" is a positive scream.

Hiers, however, is not the only fat funmaker. Sylvia Ashton is present to give her usual delightful impersonation of a socially climbing, new-rich

mother. Edwin Stevens plays opposite her in some very delicious domestic comedy business.

There are several "shots" of an exciting football game with all the color and life therein associated. The college campus stuff is very true to life, creating a splendidly accurate atmosphere. The college "prom" is a clever scene which will be relished by former college students. All the vivacious, carefree life of such affairs is splendidly depicted.

Those purchasing tickets are assured a satisfying entertainment. The orchestra of the high school, directed by Miss Marion Opsahl, will furnish music, and an attractive prologue will be given.

Baraca Banquet

The Baraca banquet at the First Baptist church promises to be a most unique affair slated for Monday evening at 6:30. It is hoped that all the men of the church and congregation will avail themselves of the privilege to be present and invite their friends. The ladies of the church serve and a sumptuous spread is to be a feature. The main speaker of the evening will be the Rev. John A. Earl, pastor of the First Baptist church of St. Paul. He is a live, energetic, forceful speaker and will have a message for men which they will enjoy. Don't forget the time and place.

50 FAWNS TO BE INITIATED BY ELKS

Gala Time Arranged for Evening of Wednesday, Nov. 23, by Range Committee of Elks

AT CUYUNA RANGE TWIN CITIES

Parade With Band Arranged, Then Initiation at Ironton, Banquet and Speaking at Crosby

One of the greatest events in fraternal life will be staged by the Cuyuna range Elks committee of Brainerd lodge No. 615 of the Benevolent and Protective Order of Elks when a class of a half hundred or more is to be initiated on the range the evening of Wednesday, November 23.

As stated by the Ironton News the committee expects from four to five hundred members from the county, neighboring lodges and some from Duluth, Superior, Minneapolis, St. Paul, St. Cloud, etc.

Early on Scene

According to plans made at the meeting of Brainerd lodge, Secretary Harry J. Carlson and Treasurer B. L. Lagerquist will be early on the scene of the initiation, establishing their headquarters shortly after arriving on the range by afternoon train. They will make collections of the balance of initiation fees and dues from candidates.

Headquarters at Crosby until 6 p. m. will be at the Armory. Thereafter secretary and treasurer will be at Ironton village hall where the initiatory ceremonies will be held shortly after the big parade. It will facilitate matters very much if all candidates arrange to meet these officers in the afternoon.

At Brainerd

The house and social committee of Brainerd 615 has tackled a big problem in transporting some 200 Brainerd Elks to the range. Some Elks will take the afternoon train. The rest are asked to assemble at Elks club room as early as possible. All Elks with cars are asked to be at Elks headquarters to pick up members to take to the range. The parade of Crosby band and Elks cars assembles at 6:30 at Crosby armory and as many Brainerd cars as possible should be in the line of march which will lead throughout Crosby, thence to and around Ironton and finish at the Ironton village hall. It is the desire to make this parade as large as possible in order to show the public the strength of Elksdom in this district.

The initiatory ceremonies will follow at the Ironton village hall. The first section is in charge of Past Exalted Ruler J. J. Nolan, the second under the Exalted Ruler.

Judge Frank E. Reed, Past Exalted Ruler of Minneapolis lodge and District Deputy of Minnesota North has promised to attend the ceremonies if he can arrange his court docket to permit his attendance.

Paraphernalia from Brainerd will be transported by truck to the range.

Special Dispensations

Special dispensations were secured to hold the initiation on the range. Grand Exalted Ruler W. W. Mountain of West Toledo, Ohio, gave the lodge permission to hold the initiatory ceremonies at Crosby-Ironton.

District Deputy Reed issued the dispensation to initiate a class of 50 or more.

Past Grand Exalted Ruler Sullivan of New Orleans, La., sent a letter congratulating Brainerd lodge on the activity shown by the Range Elks.

Like Lederer of St. Paul, president of the Elks State Association, may be present and many other prominent out of town Elks.

Brilliant Banquet

The banquet will be a brilliant affair, destined to be numbered among the greatest events in Elksdom of central Minnesota. Hon. E. P. Scallion will act as toastmaster.

Hon. W. S. McCormick of Duluth, prominent in Elksdom, will deliver the address of the evening. Other speakers giving short talks will be Brainerd and Range Elks.

An Elks orchestra will play and two Elks quartettes will sing. The committee is also making arrangements for vaudeville numbers.

Committees

The following are the range committees appointed:

General Committee—J. P. Anderson, chairman, A. H. Proctor, treasurer, Louis Bauer, secretary, Robert Marsh, M. F. Crosby, George Ridley, E. R. Burns.

Banquet Committee—Louis Bauer, A. J. Giroux, M. F. Crosby.

Reception committee—E. R. Burns, Theo. G. Johnson, Robert Marsh, A. H. Proctor, L. J. Alberts, E. P. Scallion, E. V. Anderson, H. J. Smith, F. A. Allen, P. J. Long.

Also the members of the general committee.

Decoration Committee—H. J. Lineman, H. M. Stetson, Robert Mayhew, Bill Seafeld, A. C. Gilbertson.

POULTRY SHOW IS SET FOR DEC. 2-3

Officers and Members of the Crow Wing County Poultry Association to Meet Sunday P. M.

IN CHAMBER OF COMMERCE

Mrs. John Kruse Has been Secured to Act as a Judge at the Poultry Show

The officers and members of the Crow Wing county Poultry Association will meet Sunday afternoon in the Chamber of Commerce rooms to make further arrangements for the annual poultry show which will be held in the new animal hospital December 2nd and 3rd. The officers have been especially fortunate in securing the services of Mrs. John Kruse to act as judge at the show. Mrs. Kruse is a life member of the American Poultry Association and a very successful poultry raiser.

Henry Thelin, Harley Kraus, R. P. Huard Stanley Jorgeson.

Parade committee—Chas. Middleton, Folio, Jim Ruspino, Tom Mulvaney, Glen Peck, Jess Pizzi, Ed Romain George Ridley.

Music committee—Robert Marsh, Theo. G. Johnson, A. H. Proctor, J. P. Anderson.

Entertainment committee—J. P. Anderson, A. H. Proctor, Louis Bauer, Robert Marsh, M. F. Crosby, George Ridley, E. R. Burns.

Publicity committee—Theo. G. Johnson, A. L. Sheets.

Refreshment committee—E. Burns, Ben Frodl, R. P. Huard.

Transportation committee—G. E. Peck, H. M. Koop, Bill Seafeld, Wm. A. Syreen, H. M. Stetson, C. J. Sullivan, L. J. Alberts, E. A. Romain.

Your Elks' Card

Every member is cautioned to have his Elks' card, fully paid up, handy. It will require your card to attend the initiation and the banquet.

NOTICE TO ELKS CAR OWNERS

The house and social committee of Brainerd Elks lodge No. 615 requests all Elks who have cars to notify any one of the committee, Clyde E. Parker, Axel Fall, A. P. Drogseth, W. J. Lyons or James H. Alderman, and list their cars to take Elks to the range initiation at Ironton-Crosby.

The committee must be notified by Tuesday, November 22, 1921. Ample garage room in Crosby-Ironton.

NOTICE TO ELKS HAVING NO CARS

All Elks having no cars and who wish to attend the Elks initiation at Ironton-Crosby, November 23, 1921 should promptly notify the house and social committee.

IN MEMORIAM

In youth life is sublime. Full of vim and vitality for a determined future. In the making, the God-given gift to inspire and to aspire is in fullest measure, to the call of the day upon the world's arena.

Such was the life of our beloved Bobbie Hitch who exemplified the very essence of youth. He attained with ease and grace the honored place as president of our class. His vacant place marks his absence. Among his classmates his gladness of countenance and cheerful disposition is void.

Sad and sorrowing we stand with bowed heads before the body that enfolded the soul that has taken its flight to the Eternal.

SOPHOMORE CLASS.

GONE

(Written in memory of a dear friend)

Gone is a friend and pal of everyone, Gone to the land of the great tomorrow.

Gone, leaving his life's work undone, Gone where gladness reigns and there is no sorrow;

Gone ahead to the great unknown, Leading the way for the rest of us;

Gone, leaving seeds of friendship sown

Mrs. C. A. Lagerquist Died Early on Saturday Morning at Her Home, 509 South Maple Street

DEBEKAH, DEGREE OF HONOR

Mrs. Elizabeth Jones, Widow Aged 75, Passed Away at Home of Granddaughter Mrs. Rice

Two deaths were recorded in Brainerd Saturday.

Mrs. C. A. Lagerquist died Saturday morning at 6 o'clock at her home, 509 South Maple street. She was 39 years old and leaves a husband and a step daughter, Miss Galdys Lagerquist. The son Maurice, age 7, of Mr. and Mrs. Lagerquist, died May 4, 1920 of scarlet fever and his loss was felt keenly by her. She was in failing health the past summer, but did not take to her bed until three weeks ago, when complications set in causing her death.

She was cheerful and uncomplaining and her Christian example inspired her family. Her aunt, Mrs. John D. Thompson of International Falls, was at her bedside until a week ago, when she was called home. Her sister, Mrs. Chris Schilb of Montpelier, Ohio, was with her constantly during the last weeks of her illness, her mother, Mrs. K. Allen of Montpelier, Ohio, is not in good health and is confined to her room and will not be able to attend the funeral. A brother, George Allen, lives in International Falls.

Mrs. Lagerquist was a faithful member of the Rebekah and Degree of Honor lodges and when able took

50 FAWNS TO BE INITIATED BY ELKS

Gala Time Arranged for Evening of Wednesday, Nov. 23, by Range Committee of Elks

AT CUYUNA RANGE TWIN CITIES

Parade With Band Arranged, Then Initiation at Ironton, Banquet and Speaking at Crosby

One of the greatest events in fraternal life will be staged by the Cuyuna iron range Elks committee of Brainerd Lodge No. 615 of the Benevolent and Protective Order of Elks when a class of a half hundred or more is to be initiated on the range the evening of Wednesday, November 23.

As stated by the Ironton News the committee expects from four to five hundred members from the county, neighboring lodges and some from Duluth, Superior, Minneapolis, St. Paul, St. Cloud, etc.

Early on Scene

According to plans made at the meeting of Brainerd lodge, Secretary Harry J. Carlson and Treasurer B. L. Lagerquist will be early on the scene of the initiation, establishing their headquarters shortly after arriving on the range by afternoon train. They will make collection of the balance of initiation fees and dues from candidates.

Headquarters at Crosby until 6 p. m. will be at the Armory. Thereafter secretary and treasurer will be at Ironton village hall where the initiatory ceremonies will be held shortly after the big parade. It will facilitate matters very much if all candidates arrange to meet these officers in the afternoon.

At Brainerd

The house and social committee of Brainerd 615 has tackled a big problem in transporting some 200 Brainerd Elks to the range. Some Elks will take the afternoon train. The rest are asked to assemble at Elks club room as early as possible. All Elks with cars are asked to be at Elks headquarters to pick up members to take to the range. The parade of Crosby band and Elks cars assembles at 6:30 at Crosby armory and as many Brainerd cars as possible should be in the line of march which will lead throughout Crosby, thence to and around Ironton and finish at the Ironton village hall. It is the desire to make this parade as large as possible in order to show the public the strength of Elksdom in this district.

The initiatory ceremonies will follow at the Ironton village hall. The first section is in charge of Past Exalted Ruler J. J. Nolan, the second under the Exalted Ruler.

Judge Frank E. Reed, Past Exalted Ruler of Minneapolis lodge and District Deputy of Minnesota North has promised to attend the ceremonies if he can arrange his court docket to permit his attendance.

Paraphernalia from Brainerd will be transported by truck to the range.

Special Dispensations

Special dispensations were secured to hold the initiation on the range, Grand Exalted Ruler W. W. Mountain of West Toledo, Ohio, gave the lodge permission to hold the initiatory ceremonies at Crosby-Ironton.

District Deputy Reed issued the dispensation to initiate a class of 50 or more.

Past Grand Exalted Ruler Sullivan of New Orleans, La., sent a letter congratulating Brainerd lodge on the activity shown by the Range Elks. Ike Lederer of St. Paul, president of the Elks State Association, may be present and many other prominent out of town Elks.

Brilliant Banquet

The banquet will be a brilliant affair, destined to be numbered among the greatest events in Elksdom of central Minnesota. Hon. E. P. Scallion will act as toastmaster.

Hon. W. S. McCormick of Duluth, prominent in Elksdom, will deliver the address of the evening. Other speakers giving short talks will be Brainerd and Range Elks.

An Elks orchestra will play and two Elks quartettes will sing. The committee is also making arrangements for vaudeville numbers.

Committees

The following are the range committees appointed:
General Committee—J. P. Anderson, chairman, A. H. Proctor, treasurer, Louis Bauer, secretary, Robert Marsh, M. F. Crosby, George Ridley, E. R. Burns.

Banquet Committee—Louis Bauer, A. J. Giroux, M. F. Crosby.

Reception committee—E. R. Burns, Theo. G. Johnson, Robert Marsh, A. H. Proctor, L. J. Alberts, E. P. Scallion, E. V. Anderson, H. J. Smith, F. A. Allen, P. J. Long.

Also the members of the general committee.

Your Elks' Card

Every member is cautioned to have his Elks' card, fully paid up, handy. It will require your card to attend the initiation and the banquet.

NOTICE TO ELKS CAR OWNERS

The house and social committee of Brainerd Elks lodge No. 615 requests all Elks who have cars to notify any one of the committee, Clyde E. Parker, Axel Fall, A. P. Drogseth, W. J. Lyons or James H. Alderman, and list their cars to take Elks to the range initiation at Ironton-Crosby.

The committee must be notified by Tuesday, November 22, 1921. Ample garage room in Crosby-Ironton.

NOTICE TO ELKS HAVING NO CARS

All Elks having no cars and who wish to attend the Elks initiation at Ironton-Crosby, November 23, 1921 should promptly notify the house and social committee.

IN MEMORIAM

In youth life is sublime. Full of vim and vitality for a determined future. In the making, the God-given gift to inspire and to aspire is in fullest measure, to the call of the day upon the world's arena.

Such was the life of our beloved Bobbie Hitch who exemplified the very essence of youth. He attained with ease and grace the honored place as president of our class. His vacant place marks his absence. Among his classmates his glad countenance and cheerful disposition is void.

Sad and sorrowing we stand with bowed heads before the body that enfolded the soul that has taken its flight to the Eternal.

RED CROSS IS AIDING SERVICE MEN

During the Past Year \$144,000 Has
Been Spent by 91 Chapters of
American Red Cross

IN THE STATE OF MINNESOTA

Red Cross Gave Aid to 22,324 World
War Veterans, Personal Atten-
tion to Hospital Patients

Minnesota chapters of the American Red Cross are fulfilling their obligations to the disabled ex-service men. Reports will show that during the past year \$144,000 has been spent by the 91 chapters of the American Red Cross in Minnesota in giving aid to more than 22,324 world war veterans. The service given has included the adjustment of allotment and allowance claims, compensation and insurance, discharge and furlough investigations, personal attention to hospital patients; the giving of family relief; the untangling of individual problems—in every case a personal service obviously beyond the power of the government to undertake.

For relief in disaster the entire country has come to look to the Red Cross, the organization which during the fiscal year, 1920-1921, expended \$1,600,000 in aiding victims of 70 disasters. During the recent Pueblo flood, all Red Cross chapters stood ready to render assistance. To date \$10,845 has been sent from residents of Minnesota to the aid of Pueblo flood sufferers through Red Cross channels. This includes personal as well as chapter donations. The nine states of Central Division have donated \$36,450.64 to Pueblo. Of the \$500,000 needed for rehabilitation \$350,000 has been received from various parts of the country.

In addition to the service carried on for the disabled service man—the first obligation to the past—the Red Cross chapters in Minnesota have been building for the future in improving the health conditions of their state. Today there are 61 Red Cross Public Health Nurses employed by the Minnesota Chapters who devote their time to the relief of the sick, and the education of the well. This is an increase of approximately 10% over the number employed a year ago.

By these nurses and special instructors many classes have been conducted in Home Hygiene and Care of the Sick, designed to teach mothers and sisters the art of caring for sickness in their own homes and simple measures to prevent disease. This is a service which in a state of widely scattered communities meets a long felt need. Certificates were granted to 3,610 persons for completion of the entire course.

As a further endeavor toward conservation of life many classes in Life Saving and First Aid have been conducted. 73 persons in Minnesota having passed the rigorous examinations for entrance into the Red Cross Life Saving Corps.

Minnesota boys and girls in great numbers have been learning the value of good citizenship and of service to others through membership in the Junior Red Cross. The 126,196 Minnesota Juniors have made quantities of toys for unfortunate children at home and abroad, first aid kits for school rooms. All of the Junior funds in Minneapolis go toward helping the work of the Michael Dowling School for Crippled Children in that City. Many children are thus assisted to get an education who would otherwise be "shut in" throughout their lives.

To aid in carrying out these many activities and to increase the community usefulness of the local Red Cross Chapter, an opportunity will be given for renewing membership in the Red Cross during the annual Roll Call. This opened on Armistice Day, November 11th, and continues through Thanksgiving. Every contribution is an investment in community welfare.

Vaudeville and "The Great Lover" at
New Park

"The Great Lover" at the New Park theater for tonight only, is one of the most picturesque and beautiful film plays released by the Goldwyn Studios this year. The richness of the costumes worn in the scenes from the Opera Don Giovanni, which are duplicated, and the dramatic action of the story itself combine to make an absorbing picture.

The story centers about Jean Paurel, "The Great Lover," played by John

Sainpolis, and the principal characters of the play are operatic singers. The plot is woven around the life of these people in their work, and the crisis occurs between the three who form the eternal triangle, during the first and second acts of the opera Don Giovanni. Jean Paurel has had many affairs of the heart—as varied and as numerous as Romeo, Othello, and Don Giovanni of his repertoire as an opera singer. The great lover loves all beautiful women, and not a few have loved him in return. He is not surpassing handsome, according to the specifications of an Adonis, but his courtly gallantry and his sensitivity to the feminine nature eclipse his slightly rotund and too short figure, and women adore him.

This feature photoplay is shown in conjunction with the vaudeville at the New Park tonight.

Shopgirl Heroine of New MacDonald
Play

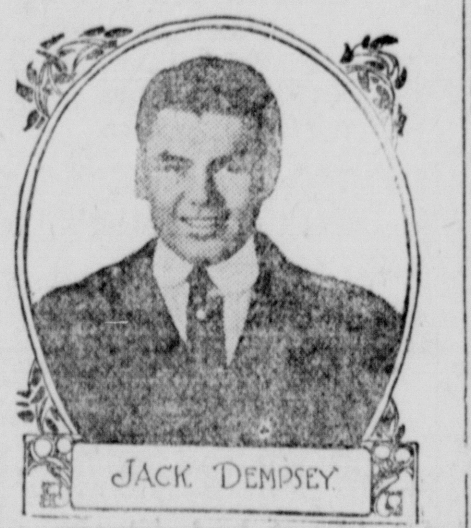

It remained for Katherine MacDonald, the American Beauty of the screen to make a heroine out of a shopgirl. She has done it in "Her Social Value," which will be shown at the New Park Theater Sunday only, matinee at 2:15 and at 7:15 and 9:00 p. m.

Despite the fact that there are hundreds of thousands of shopgirls in this country, it is a strange thing that motion picture stars and photoplays have failed to see in them exceptionally good material on which to base a screen drama. Therefore, the shopgirl fan has had to be content with seeing heroines from princesses to chorus girls when she went to the movie shows, but never a shopgirl.

The heroine of "Her Social Value" is Marion Hoyte, who sells gloves in a large department store. Through a mistake she is charged with stealing the purse of a customer, but is saved from disgrace by a young man who finds the article and clears her of suspicion.

a seat at the ringside, and seeing motion pictures of the same event, evidently are quite different. From all accounts, the pictures have the best of the argument, for the eye of the camera is sure and certain, and leaves no doubt nor room for argument.

A distinct study in contrast will be afforded local lovers of sport when the Tex Rickard motion pictures of the Dempsey-Carpentier fight are shown at the New Park Monday and Tuesday.

To see these pictures will undoubtedly be to get a much better, more all-around view of the two fighters than was possible from a \$50 seat at

"Boyle's Thirty Acres" in Jersey City on July 2nd. One at least will be able, thanks to the slow-motion camera, to see the difference between the two men and study the tactics employed by each.

RED CROSS IS AIDING SERVICE MEN

During the Past Year \$144,000 Has
Been Spent by 91 Chapters of
American Red Cross

IN THE STATE OF MINNESOTA

Red Cross Gave Aid to 22,324 World
War Veterans, Personal Atten-
tion to Hospital Patients

Minnesota chapters of the American Red Cross are fulfilling their obligations to the disabled ex-service men. Reports will show that during the past year \$144,000 has been spent by the 91 chapters of the American Red Cross in Minnesota in giving aid to more than 22,324 world war veterans. The service given has included the adjustment of allotment and allowance claims, compensation and insurance, discharge and furlough investigations, personal attention to hospital patients; the giving of family relief; the untangling of individual problems—in every case a personal service obviously beyond the power of the government to undertake.

For relief in disaster the entire country has come to look to the Red Cross, the organization which during the fiscal year, 1920-1921, expended \$1,600,000 in aiding victims of 70 disasters. During the recent Pueblo flood, all Red Cross chapters stood ready to render assistance. To date \$10,845 has been sent from residents of Minnesota to the aid of Pueblo flood sufferers through Red Cross channels. This includes personal as well as chapter donations. The nine states of Central Division have donated \$36,450.64 to Pueblo. Of the \$500,000 needed for rehabilitation \$350,000 has been received from various parts of the country.

In addition to the service carried on for the disabled service men—the first obligation to the past—the Red Cross chapters in Minnesota have been building for the future in improving the health conditions of their state. Today there are 61 Red Cross Public Health Nurses employed by the Minnesota Chapters who devote their time to the relief of the sick, and the education of the well. This is an increase of approximately 10% over the number employed a year ago.

By these nurses and special instructors many classes have been conducted in Home Hygiene and Care of the Sick, designed to teach mothers and sisters the art of caring for sickness in their own homes and simple measures to prevent disease. This is a service which in a state of widely scattered communities meets a long felt need. Certificates were granted to 3,610 persons for completion of the entire course.

As a further endeavor toward conservation of life many classes in Life Saving and First Aid have been conducted, 73 persons in Minnesota having passed the rigorous examinations for entrance into the Red Cross Life Saving Corps.

Minnesota boys and girls in great numbers have been learning the value of good citizenship and of service to others through membership in the Junior Red Cross. The 126,196 Minnesota Juniors have made quantities of toys for unfortunate children at home and abroad, first aid kits for school rooms. All of the Junior funds in Minneapolis go toward helping the work of the Michael Dowling School for Crippled Children in that City. Many children are thus assisted to get an education who would otherwise be "shut in" throughout their lives.

To aid in carrying out these many activities and to increase the community usefulness of the local Red Cross Chapter, an opportunity will be given for renewing membership in the Red Cross during the annual Roll Call. This opened on Armistice Day, November 11th, and continues through Thanksgiving. Every contribution is an investment in community welfare.

and relief activities, locally, nationally and internationally.

At the Lyceum

"Western Pep" now at the Lyceum is by far the best picture William Fairbanks has produced to date. It is full of punch and action. Thrills and comedy situations vie with each other to keep you interested and guessing to the final outcome.

Unusual stunts and thrilling rides, together with some real fights make his picture one that will long be remembered and set a high standard for the action in William Fairbanks' productions.

At Lyceum Monday and Tuesday

Lovers of high class entertainment will enjoy seeing this world famed classic in photoplay form which is

to be presented at the Lyceum on Monday and Tuesday. The rise and fall of Rome, in the days of Nero is shown on a lavish scale. A special ladies matinee is to be given each day at 2:15.

Vaudeville and "The Great Lover" at New Park

"The Great Lover" at the New Park theater for tonight only, is one of the most picturesque and beautiful film plays released by the Goldwyn Studios this year. The richness of the costumes worn in the scenes from the Opera Don Giovanni, which are duplicated, and the dramatic action of the story itself combine to make an absorbing picture.

The story centers about Jean Paurel, "The Great Lover," played by John

Sainpols, and the principal characters of the play are operatic singers. The plot is woven around the life of these people in their work, and the crisis occurs between the three who form the eternal triangle, during the first and second acts of the opera Don Giovanni. Jean Paurel has had many affairs of the heart—as varied and as numerous as Romeos, Othellos, and Don Giovanni of his repertoire as an opera singer. The great lover loves all beautiful women, and not a few have loved him in return. He is not surpassing handsome, according to the specifications of an Adonis, but his courtly gallantry and his sensitiveness to the feminine nature eclipse his slightly rotund and too short figure, and women adore him.

This feature photoplay is shown in conjunction with the vaudeville at the New Park tonight.

Shopgirl Heroine of New MacDonald Play

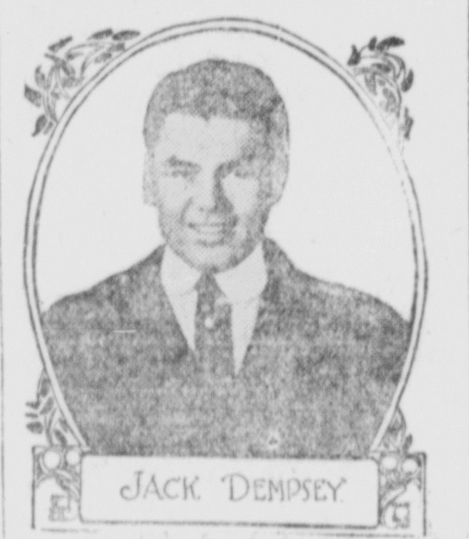

It remained for Katherine MacDonald, the American Beauty of the screen to make a heroine out of a shopgirl. She has done it in "Her Social Value," which will be shown at the New Park Theater Sunday only, matinee at 2:15 and at 7:15 and 9:00 p. m.

Despite the fact that there are hundreds of thousands of shopgirls in this country, it is a strange thing that motion picture stars and photoplays have failed to see in them exceptionally good material on which to base a screen drama. Therefore, the shopgirl fan has had to be content with seeing heroines from princesses to chorused girls when she went to the movie shows, but never a shopgirl.

The heroine of "Her Social Value" is Marion Hoyte, who sells gloves in a large department store. Through a mistake she is charged with stealing the purse of a customer, but is saved from disgrace by a young man who finds the article and clears her of suspicion.

RHEUMATIC JOINTS
Rub Pain Right Out - Try This!

Rheumatism is "pain only." Not one case in fifty requires internal treatment. Stop drugging! Rub soothing, penetrating "St. Jacobs Oil" directly into your sore, stiff joints and muscles and relief comes instantly. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and cannot burn or discolor the skin.

Linger up! Quit complaining! Get

a small trial bottle of old-time "St. Jacobs Oil" at any drug store and in just a moment you'll be free from rheumatic pain, soreness and stiffness. Don't suffer! Relief and a cure awaits you. "St. Jacobs Oil" has cured millions of rheumatism sufferers in the last half century, and is just as good for sciatica, neuralgia, lumbago, backache, sprains and swellings. Adv.

a seat at the ringside, and seeing motion pictures of the same event, evidently are quite different. From all accounts, the pictures have the best of the argument, for the eye of the camera is sure and certain, and leaves no doubt nor room for argument.

A distinct study in contrast will be afforded local lovers of sport when the Tex Rickard motion pictures of the Dempsey-Carpentier fight are shown at the New Park Monday and Tuesday.

To see these pictures will undoubtedly be to get a much better, more all-around view of the two fighters than was possible from a \$50 seat at

"Boyle's Thirty Acres" in Jersey City on July 2nd. One at least will be able, thanks to the slow-motion camera, to see the difference between the two men and study the tactics employed by each.

SULPHUR IS BEST TO CLEAR UP UGLY SKIN

IRRITATION AND BREAKING OUT
OFTEN HEALED OVER NIGHT,
SAYS SKIN SPECIALIST

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Menthosulphur, says a noted skin specialist. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation.

Menthosulphur heals eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the torment of disfigurement. A little jar of Menthosulphur may be obtained at any drug store. It is used like cold cream.
